IMPERIAL COUNTY CLERK-RECORDER  
CALIFORNIA

Project Location – Specific:

Forrester Road Bridge over West Side Main Canal Crossing (Bridge No. 58C-0014)

Project Location – City: Unincorporated

Project Location – County: Imperial

Description of Nature, Purpose and Beneficiaries of Project:

The bridge work to be done consist in general, of installing sheet piling at the back end of each abutment, along the inside edge of the wing walls, along the sides of the wing walls, and backfilling the voids with structure backfill (slurry cement). All work will be within County of Imperial Right of Way. Additional improvements include replacement of traffic striping removed during construction. As part of the emergency repair work, the Imperial Irrigation District (IID) will be relocating the overhead power line by installing three (3) new poles and transferring the lines of the tow (2) existing poles, located directly north and south of the bridge, onto the newly installed poles in order to provide the allowable safety clearance during installation of the sheet piles.
