This indemnification obligation shall include, but not be limited to, damages, costs, expenses, attorney fees, or expert witness fees that may be asserted by any person or entity, including the applicant, arising out of or in connection with the approval of this application, whether or not there is concurrent negligence on the part of the County, its agents, officers, attorneys, or employees (including consultants).

NOTICE TO APPLICANT

SUBJECT: PAYMENT OF FEES

Dear Applicant:

Pursuant to County Codified Ordinance Division 9, Chapter 1, Section 90901.02, all Land Use Applications must be submitted with their appropriate application fee. Failure to comply will cause application to be rejected.

Please note that once the Department application is received and accepted, a "time track" billing will commence immediately. Therefore, should you decide to cancel or withdraw your project at any time, the amount of time incurred against your project will be billed and deducted from your payment. As a consequence, if you request a refund pursuant to County Ordinance, your refund, if any, will be the actual amount paid minus all costs incurred against the project.

Please note there will be no exceptions to this policy. Thank you for your attention.

Sincerely yours,

Jim Minnick, Director
Planning & Development Services

A. Valuation

- The Valuation of a project shall be the ultimate (build out) value of the proposed project and shall include cost of land plus cost of improvements, as determined by the Director.
- Projects that cannot be clearly shown as having a "build out" value, (for example: a new landfill, a new mining operation) will be valued for the purpose of computation of specific fees other than T&M by the Director. The Director's determination may be appealed to the Planning Commission, but not the Board of Supervisors.

B. Conditional Use Permits

- Second Dwelling Only- Process to allow one additional dwelling to be placed on a parcel with an existing dwelling.
- Minor- This classification shall include and be limited to the following uses:
 - Domestic Water Well
 - Home Occupation
 - Day Care or Nursery
 - Schools
 - Temporary offices at project site for project duration
 - Temporary real estate offices within housing tract.

C. **Intermediate** - Any Conditional Use Permit with a project value of less than \$5,000,000 unless determined by the Director that the project requires a major CUP.

D. **Major** - Any Conditional Use Permit with a project value greater than \$5,000,000 and/or not considered an intermediate.

The category of the CUP type (minor, intermediate, major) shall be as determined by the Department. There shall be no appeal from this decision.

2. T/M- TIME & MATERIAL

All projects shown to have a T/M2 billing rate shall deposit the amount specified within this Division at the time of the application and shall be billed by the department on a quarterly basis.

Deposit is to be maintained throughout the course of the project. If the Department has not received payment within 30 days of billing, the Department shall cease processing the application until the funds are provided to maintain the initial deposit limit.

The T/M deposit schedule is as follows:

T/M1** - General Plan Charge will be 3% of the total cost of the project - not to be refunded.

T/M2 - Initial Deposit as shown in each category. Please note this fee is not used as part of any T&M billing.

3. T&M- Time & Materials

Under this billing system, the County Planning/Building Department, as well as any County Department that has a function in the permit review process and an adopted Ordinance Schedule of fees is authorized to charge for all salary and benefit costs and actual expenses, including but not limited to office and field cost; mileage; County overhead; and special consultants. All billing, however, shall be by and through the Planning/Building department only. Any Department that does not provide a billing statement to the Planning/Building Department by the 10th of the month shall not be entitled to collect.

The Department shall add 15 % to the total cost of all materials, including advertising, to offset the cost of the following: permit tracking system, monitoring program, file storage costs; and office space/maintenance costs.

4. Hourly Rate

The maximum hourly rate for Planning/Building Department cost shall be set at actual salary rate as calculated by Cost of Services User Fee Study as the "fully burdened" rate, which includes overhead, benefits and shall not exceed \$300/hour. This rate includes labor and County overhead, but does not include material or other direct expenses.

5. Auditing/Account

The Applicant has the opportunity to review the accounting of any Department related to the project. If the Applicant feels the accounting is in error, the applicant may file a written request for a review with the Director. In the event the Applicant and Director cannot reach an agreement, this matter shall be brought to the Planning Commission for arbitration, and to the Board of Supervisors for all other Departments.
